LP Ecopaysage Végétal Urbain

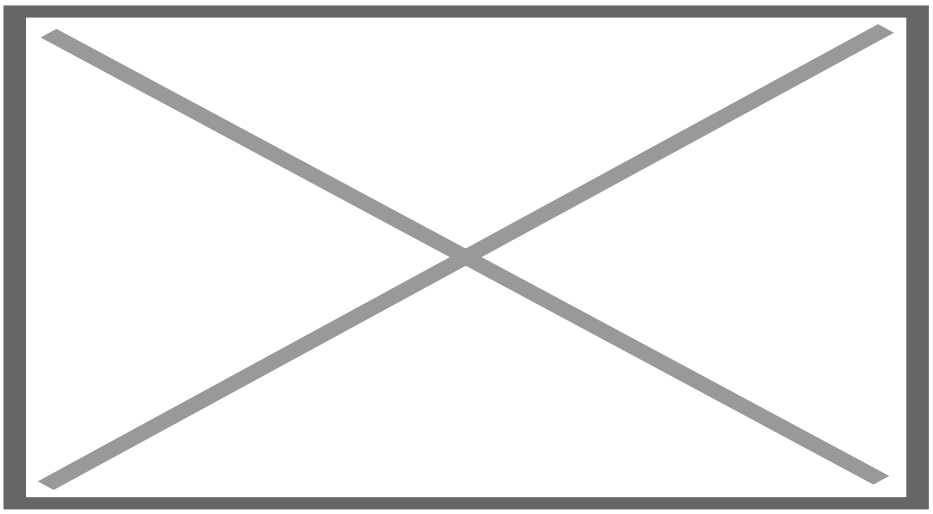

Licence professionnelle (Vocational undergraduate degree)
Specialisation Aménagement paysager : conception, gestion, entretien
Enrolment type
Formation initiale
Contrat de professionnalisation
Formation en apprentissage
Formation continue
Language(s) of instruction
French

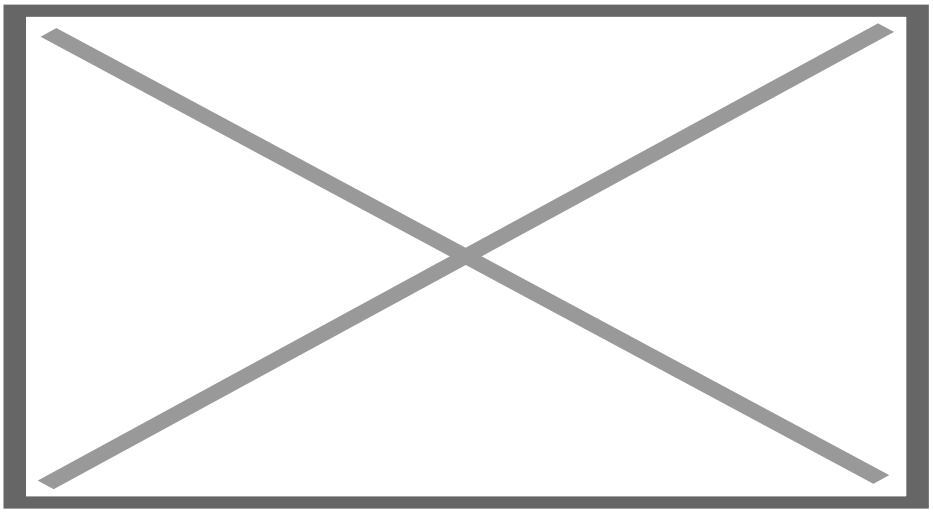

The LP ECOPUR is an apprenticeship program offered at three locations: Ecole Du Breuil, MNHN, and University Paris Saclay, which trains landscaping professionals specializing in ecological management in urban and peri-urban areas. Their knowledge of urban ecology (ecological corridors) and plants, both native wild flora and classic horticultural varieties, enables them to propose designs that promote biodiversity and are adapted to the site and its context.
